NOW, THEREFORE, BE IT RESOLVED by the County of Monroe Industrial Development Agency d/b/a Imagine Monroe Powered By COMIDA as follows:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and other correspondence submitted by the Company to the Agency, the Agency hereby finds and determines that:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Project constitutes a "project", as such term is defined in the Act; and

(c) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring the Equipment; and

(d) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Monroe County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(e) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(f) Pursuant to SEQRA, the Project constitutes a "Type II Action" as said term is defined in SEQRA, and therefore no further action is required to be taken under SEQRA.

Section 2. The Agency hereby determines that the Project will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the County of Monroe and the people of the State of New York and improve their standard of living, thereby serving the public purposes of the Act and, therefore, the same is approved.

Section 3. The Agency hereby approves the cost/benefit report submitted by the Company listing the proposed cost/benefits of the Project.

Section 4. Said agent is authorized to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all things which may be requisite or proper for acquisition of the Equipment, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. As agent of the Agency, the Company is authorized to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses; provided, however, the Agent Agreement shall expire on **June 30, 2020** (unless extended for good cause by the Executive Director, Chairman or Vice Chairman of the Agency).

The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 6. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the

Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 7. The Executive Director, Chairman or Vice Chairman of the Agency are hereby authorized, on behalf of the Agency, to negotiate the Agent Agreement, pursuant to which the Agency will appoint the Company as its agent for the purpose of acquiring the Equipment.
