NOW, THEREFORE, BE IT RESOLVED by the County of Monroe Industrial Development Agency d/b/a Imagine Monroe Powered By COMIDA as follows:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and other correspondence submitted by the Company to the Agency, the Agency hereby finds and determines that:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Facility constitutes a "project", as such term is defined in the Act;
and

(c) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and equipping the Improvements; and

(d) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Monroe County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(e) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(f) The Town of Henrietta Planning Board has conducted a review of the Project pursuant to Article 8 of the Environmental Conservation Law and 6 N.Y.C.R.R. Part 617 (collectively referred to as "SEQRA"). In addition to classifying the Project as a "Type 1" Action pursuant to SEQRA, the City of Rochester Planning Board also issued a Negative Declaration on March 20, 1990, determining that the Project did not present a potential significant adverse environmental impact. The Agency, having reviewed the materials presented by the Company, further determines that the Project does not pose a potential significant adverse environmental impact and thus ratifies the Negative Declaration previously issued by the Town of Henrietta Planning Board pursuant to 6 N.Y.C.R.R. § 617.7; and

Section 2. The Agency hereby determines that the acquisition of a leasehold interest in and the construction, equipping, repair and maintenance of the Facility by the Agency and the lease or sublease of the Facility to the Company will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the County of Monroe and the people

of the State of New York and improve their standard of living, thereby serving the public purposes of the Act and, therefore, the same is approved.

Section 3. The Agency hereby approves the cost/benefit report submitted by the Company listing the proposed cost/benefits of the Project.

Section 4. Subject to the Company executing the Project Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency to acquire, construct and equip the Facility, and such appointment includes the following activities as they relate to the construction, erection, completion, use, repair and maintenance of the Improvements and the purchase, use, lease, placement, installation, repair, maintenance and replacement of the Equipment, whether or not any materials or supplies described below are incorporated into or become an integral part of the Improvements or the Equipment: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Improvements, Land or the Equipment, including all repairs, maintenance and replacement of all such property. Said agents are authorized to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agents for the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. As agent of the Agency, the Company is authorized to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses; provided, however, the Agent Agreement shall expire on **June 30, 2020** (unless extended for good cause by the Executive Director, Chairman or Vice Chairman of the Agency) if the Lease Agreement, Leaseback Agreement and PILOT Agreement contemplated have not been executed and delivered.

Section 5. Based upon the representation and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves (i) the Company as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$1,271,106**, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed **\$101,688**; (ii) a mortgage (or mortgages), in connection with the financing of the Facility or portions thereof and including any refinancing thereof, securing an aggregate principal amount not to exceed **\$3,328,801**, resulting in a mortgage tax exemption not to exceed **\$24,966**; and (iii) a partial real property tax abatement.

Section 6. The Agency also hereby authorizes and approves the Tenant, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$647,000**, which result

in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed \$51,760.

Section 7. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company and/or the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company and/or the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company and/or the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company and/or the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company and/or the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company and/or the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 8. The form and substance of the Lease Agreement, the Leaseback Agreement and the PILOT Agreement (each in substantially the forms presented to the Agency and which, prior to the execution and delivery thereof, may be redated) are hereby approved.

Section 9. The Executive Director, Chairman or Vice Chairman of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute (A) the Lease Agreement whereby the Company leases the Project to the Agency, (B) the related Leaseback Agreement conveying the Project back to the Company, and (C) the PILOT Agreement; provided, that, (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 10. The Executive Director, Chairman or Vice Chairman of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the "Lender") up to a maximum principal amount necessary to undertake the Project, acquire the Facility and/or finance or refinance equipment and other personal property and related transactional costs (hereinafter, with the Lease Agreement, Leaseback Agreement and PILOT Agreement are collectively referred to as, the "Agency Documents"); and, where appropriate, the
